Wrestlers Nandini Salokhe and Swati Shinde are athletes adopted under Dorf Ketal Pvt. Ltd.'s CSR for Sports programme. They come from a very modest background, based in a small village ahead of Kolhapur. Archer Snehal Mandhare is also under the programme and hails from a small village near Wai. Structured training and nutrition has progressed their game exponentially. I have set progressive goals for them and reoriented the fitness pattern accordingly. Coupled with monthly testing, it has worked remarkably in pushing their game ahead and ensuring that they always find a place in the India Camp.

Snehal Mandhare

Archer
